Memorial Garden Terms and Conditions

This agreement is made with the Niantic Community Church and for the interment of ashes in the NCC Memorial Garden.

Use of the Memorial Garden

Ashes must be interred directly in the memorial garden ground. The location in the garden will be at the discretion of the memorial garden committee. There will be no family memorials within the Garden. After interment it will be impossible to separate the deceased ashes from the earth. Any enhancements, such as flowers, shrubs, or ground cover, may be added only at the discretion of the Church. Use of the Garden will be solely by agreement between the representatives of the deceased family and Niantic Community Church.

Authority and Responsibility

Niantic Community Church will make all decisions related to the care and maintenance of the Memorial Garden. While every effort will be made to maintain the integrity of the Garden, Niantic Community Church reserves the right to alter its design and will not be liable for loss or damage within the Garden. If, in the judgment of the Church, it shall be deemed necessary or desirable to change the location of the garden, the Church may have the ashes removed and placed in another suitable space, at its sole discretion. No property right of any kind, whether expressed, implied, real or personal, is established by entering into the Memorial Garden agreement with Niantic Community Church.
